

BEHAVIORAL HEALTH TECHNICIAN

Sites: W. Village

Starting Wage: \$10ph

Schedule: Full-time

Driving Required: YES

Position Open until filled

Marc Center's Behavioral Health services are designed to provide structured support services to adults with serious mental illness.

We strive to enhance the independence, dignity, personal choice and privacy of the persons served. The goal is to assist individuals as they transition into the community and achieve the greatest level of independence possible. We provide training in cooking, budgeting, health and safety as well as assist with daily living skills to foster independence and to promote recovery. Services are provided in residential/apartment settings.

Marc Center staff needs to have excellent communication skills, both verbal and written, believe in working as a team, be energetic and have a positive attitude. We look to staff to ensure confidentiality, complete all necessary paperwork in timely manner, and have a strong behavior management background, with the ability to redirect and stabilize client behaviors. Staff must be able to handle crisis situations in a positive, non-threatening manner.

Education Requirements:

4 year degree and one year experience related to the behavioral health field, 4+ years related experience in a behavior health field working with mental illness, OR a combination of college credits and experience totaling 4+ years.

Other Requirements:

Must be 21 years of age or older, have an Arizona Drivers License with clean 39 month Motor Vehicle Report, pass a pre-employment drug test, obtain/maintain fingerprint clearance card, and obtain an updated physical, and negative TB test.
